Plainfield's How-To Fair: September 22

Plainfield, IL -- Expand your world this fall by learning something new during Plainfield's How-To Fair on September 22. In one interactive, fun, and informative day, you can engage in over 25 free and different "how-to workshops!" All of the workshops are taught by local experts and business owners; learning opportunities range from cooking to fitness; from crafting to salsa dancing; and from installing a backsplash to knitting.

The How-To Fair has all the latest trends covered. Here is a sampling of the classes you'll find at the Fair....

-Aspiring chefs will enjoy learning how to make a simple Italian dinner.

-If entertaining is your game, impress your guests by learning how to pair wine and cheese, carve a watermelon basket, and how to make a flower arrangement in a margarita glass.

-Want to change up your workout? We have yoga and salsa dancing workshops plus learn how to become a 5K runner in just eight weeks.

-Redecorating or planning a DIY project? Learn how to repair drywall, install a mosaic backsplash, or paint.

-If crafts are your passion; learn how to crochet, make handmade cards, make a succulent out of felt, or make a chakra bracelet.

To check out the complete workshop list, visit howtofairplainfield.com. Registration is not required; however, seats are available on a first come, first served basis. Doors will open five minutes prior to class time.
