Plainfield Citizen's Police & Fire Academy

Would you like to know more about crime scene processing or how the Fire Department gets people out of a vehicle after a crash? Are you interested in learning more about Emergency Response in our community? Through the efforts of Plainfield Police Chief John Konopek and Plainfield Fire Chief Jon Stratton, residents living in and around the Village of Plainfield and the Plainfield Fire Protection District will have the opportunity to explore these topics and others by attending the ten sessions of the Plainfield Citizen's Police & Fire Academy, which is scheduled for Spring 2019.

Citizens are invited to attend this ten (10) week program held on consecutive Thursday nights from 7:00 p.m. to 9:00 p.m. beginning April 4th, 2019 and ending with a graduation ceremony on June 6th, 2019. The classes are free of charge and conducted at various locations in the Village of Plainfield. The classes are taught by personnel from the Plainfield Police, Fire and Ambulance Departments and the curriculum has been designed to be informative as well as beneficial for those attending. Sessions include both lecture and hands-on instructions.

Chief Konopek and Chief Stratton are encouraging citizens to enroll in this program. The deadline for registration is Friday, March 15th, 2019 by 5:00 p.m. We have twenty-five spots available for this class so get your application in as soon as possible.
